

# Mshed The Balmoral

my future  
my choice

## An exciting venue for family learning

**Free Family Workshop – British Science Week**  
17<sup>th</sup> March 2018 – 10am to 1pm for full workshop  
or drop in before 12noon – tour of the ship is included

Come along and enjoy a fun morning with families and friends. Fun, practical science and technology activities with team challenges to design, build and operate an hydraulic arm. Or challenge yourself and a friend with piloting augmented reality **Mekamon Robots**

**The MV Balmoral is moored underneath the cargo cranes, outside the Mshed, Princes Wharf, Wapping Rd, BS1 4RN. Limited places so booking is advised**

**British Science Association - Best Engineering Education Programme**
